Updates on Meals for Kids During COVID-19 School Closures in North Carolina

No Kid Hungry NC is working with NCDPI, School Nutrition to compile info on NC school meals availability from school and community partners across the state during school closures due to COVID-19.

Click [here](#) to view a list of school meal distribution times and locations throughout North Carolina. Please share this resource with your networks and communities.

* Left and Right Pictures are of staff and volunteers from Halifax County Schools serving meals to kids in their community during North Carolina school closures.

Our Superintendent doesn't like recognition but today he deserves to be recognized! Dr. Freddie Williamson went into our communities to serve food to our families this morning!
